NOW...IN 2016

CHRISTIAN CARE
MISSION RESULTS

You made 2016 a year to remember! **Your** in-kind donations, volunteer activities and time, and financial gifts made a huge impact on the lives of the homeless we served.

Dear Friends of Christian Care:

2016 has come and gone at Christian Care. It was a year filled with both heartache and celebration. At the end of March, the Board of Directors decided to close the women's domestic violence shelter and focus existing resources on strengthening programming at the men's shelter.

In July, Christian Care underwent programmatic restructuring. Job titles and job descriptions were revised and 3 new staff were hired to further our mission.

In September, Christian Care celebrated its 100th birthday. It was a successful event for residents and the community, as a whole.

As we look forward to a new year, we are both excited about new opportunities and challenged by them. We want to extend our gratitude and thanks to each and every one of you who contributed to our success this past year. We provided safe shelter, food and clothing to the homeless population of our community with your in-kind and financial support. As a volunteer, you gave your time, talent and skills to making our community a better place. Together, we helped transform the lives of the least, the last and the lost.

Thank you so very much for touching our lives and the lives of our residents.

God Bless You All,

John Thompson, President
Christian Care Board of Directors

2016 CHRISTIAN CARE MILESTONES

- This past Spring and Summer two new vegetable garden beds and a new gazebo were added to the backyard space at Christian Care. The vegetable gardens were planted with various types of lettuce, green peppers, tomatoes, cucumbers and onions.
- A gazebo with bench seating for up to 12 was a welcome addition to our Green Space through the generosity of Alcoa employees.
- A stone pathway was added to the back yard. Augustana Lab Student Volunteers provided the labor for the project.
- A new gas barbeque grill was purchased with proceeds from a fundraiser held by Wilson Middle School students.
- Christian Care celebrated its' 100th Birthday with an Open House, Resource Fair and Complementary Lunch on Saturday, September 17, 2016 from 11:00 a.m. – 3:00 p.m. Residents and others from our community were in attendance. Merlin Swanson from Salem Lutheran Church in Moline gave the invocation. Rock Island Mayor Dennis Pauley and Christian Care Board President John Thompson welcomed attendees and shared brief remarks with the crowd.
- Christmas came a few days early for Christian Care. The rooftop heating and air conditioning unit that heated the men's dorms quit working completely the week of December 11th. This was the week that temperatures dipped to the single digits with the wind chill below zero. A public appeal for financial support was made to offset the \$7,000 cost of a new unit. Johnson Controls/YORK, Republic, Kale Heating and Air Conditioning and Cattani Crane came to our rescue and donated an entire new unit, materials, labor and crane rental for installation. The new unit was delivered and installed the morning of December 17th and within 5 hours, heat began to flow once again into the men's sleeping quarters.
